

Anchor seal AWN series

One piece capsule, anchor and tab seal, with seven numbers moulded in high relief on the tab. These high relief moulded numbers eliminate the possibility of alterations or forged copies and make the seal individually identifiable. The seal is pre-assembled with a standard 16cm length 2 strand galvanised wire, diameter 0.81mm. Other lengths of 25, 30, 39, 50 and 79cm are available. For quantities over 10,000 the capsule can be personalised in high relief on one or both sides. No tools necessary for sealing.

Product code:

AWN #012N16GVT2PP

16cm two strand galvanised wire
