

## Anchor seals ANL series

One piece anchor, capsule and large tab polycarbonate seal. With or without detachable receipt. Without pre-assembled wire. Suitable for sealing two strands of any length of thread, ribbon or wire up to a diameter of 0.81mm per strand. The numbers or bar code on the seal with a fixed tab are laser printed only on the tab. On the seals with a detachable receipt the numbers are printed on both the capsule and the tab. The bar code is laser printed on a white background.
