

# LEVERLOCK

A reusable bag closure, label holder and sealing system. For a quick effortless fastening, labelling and sealing of any type and size bag. Substitutes inadequate and expensive labels, string, big bag seals and accessory tools. No special label required, just a simple slip of paper which is protected inside of the label holder. The whole system is made secure with a tamper evident security seal. The seal and the paper are the only components discarded after use. The plastic transparent holder unit is used again and again.

## Leverlock unit and Seals

Label holder with lever and adjustable nylon cord, for use with SS-02 and Bestlock seal.

Product codes:

Leverlock PR-02 #091H18PP (18cm cord)

Bestlock #BS02B128PP

## SS-02 seal

Numbers or bar code laser printed on paper in-mould-label.

Numbers:

SS-02 #SS02NPP

Bar code:

SS-02 #SS02B128PP

## Leverlock and Bestlock description

- Material Polypropylene.
- For a quick effortless fastening, labelling and sealing of any type and size of bag, without the use of tools.
- Removes the risk of damage to, or loss of label. No special labels required, just a simple slip of paper.
- Lever action closure gives an effortless pre-adjusted tightness which assures a secure bag closure every time.
- Substitutes inadequate and expensive labels, string, big bag seals and accessory tools.
- Paper label and seal are the only components that are discarded after use. Avoids waste of time, materials, and rough treatment on hands
- Transparent 10cm x 5cm label holder is usable repeatedly. No need to cut cord to open, just remove seal, lift lid and remove lever from the unit.
- Standard lengths of the nylon cord are 18cm and 24cm. Can be adjusted on any one of the 12 pins on the lever to fit the size of the bag.
- Numbers on the label hold unit are hot stamped with 6 digits.
- Numbers or bar code on SS-02 and Bestlock seals are laser printed on a paper in-mould-label.
- Label holder can be personalised within an area of 10 x 15mm, for quantities over 2,000.
- Bestlock and SS-02 only available in blue.
